

# System V Mounting Guide

Create a custom pole mounted solution in 4 simple steps

The **System V** range is a component based system based around the use of Ø38mm poles. for greater flexibility & convenience, components are supplied individually & can be used to create custom installations to suit any application.

## Step 1 Choose A Pole Mount

Ceiling Mounts

BT5920

BT5921

BT5922

BT5925

Ceiling Mount Adaptor

BT5950

**SYSTEM 2™**

BT7825  
Truss Clamp

BT7012  
Purlin Mount

## Step 2 Choose A Pole

Ø38mm Poles

BT5935-100 (1m) BT5935-200 (2m) BT5935-300 (3m)

Finishing Ring

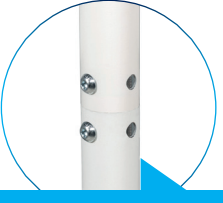

BT5953

Pole Joiners

BT5923

Join x2 BT5935  
Ø38mm Poles to  
extend the drop of **System V**  
installations

## Step 3 Choose A Collar Or Mount

Ø38mm Double Collar
