

BT5962-FD100/B

CCTV CEILING MOUNT FOR A FLAT SCREEN & DOME CAMERA

The **BT5962** is a CCTV ceiling mount designed for a small to medium-sized dome security camera and a small flat screen display. Available with a 1 or 2 metre ceiling drop in a choice of black or white finishes, the BT5962 features integrated cable management allowing cables to run through the centre of the pole and out through either the top or side of the ceiling mount, ensuring finished installations are neat and tidy. For longer drops, the pole length can be extended with a joiner (BT5924) and additional poles (BT5935) from the System V Range, whilst accessories can be added with the use of a Ø38mm accessory collar (BT5952) and compatible mount.

BT5962-FD100/B SPECIFICATIONS
