# BT7554

## BACK-TO-BACK FLAT SCREEN CEILING / DESK MOUNT

The BT7554 is a back-to-back flat screen mounting solution which can be used to mount two screens up to 23kg from the ceiling, floor, or to a desktop. With easy tool-less adjustment of tilt, swivel and screen rotation, this mount is ideal for landscape or portrait screen mounting and makes it quick and simple to switch between the two. The BT7553 is available with a choice of Black or Chrome poles in a variety of different lengths to suit your need.

### SPECIFICATION

|                              |                              |
