

BT7569

INTERFACE ADAPTOR ARMS FOR VESA FIXINGS 600 / 800 / 900 / 1000

Featuring an ultra-slim, heavy-duty steel design, the **BT7569** expands compatible VESA patterns from 400 or 600 up to VESA 1000, while adding just 6mm to the installation depth. Designed for both landscape and portrait screen orientations, it is ideal for professional AV and digital signage applications. Compatible with selected B-Tech products including the **BT8228**, **BT8310XL** and **System X Interface Arms**, the adaptor arms can also be combined with additional B-Tech adaptor kits to support extended VESA configurations up to 1000 x 600mm. Supplied complete with all required mounting hardware for a quick and straightforward installation.
