

# BT7671-AD

## ADJUSTABLE E-PAPER CEILING MOUNT WITH TILT

The **BT7671-AD** is a ceiling mounting solution with an adjustable drop designed for E-Paper displays and standard flat screens up to 43". Incorporating components from the System V range, it's sleek, secure design and adjustable drop makes it ideal for retail environments, wayfinding applications, and other public spaces. The hook-on design ensures a quick installation, while locking screws provide additional security in public environments. Quick to install, the BT7671-AD offers a clean, secure, and professional mounting solution for any E-Paper display.
