

BT7833

CORNER MOUNTING BRACKET FOR Ø2" POLES

Designed to mount a Ø2" pole onto an external or internal corner of a wall, the BT7833 is ideal for installing CCTV cameras, motion sensors, small screen displays and other AV equipment at locations where it is not required or possible to fix onto the side of a wall. Supplied with a BT7051 collar and safety bolt for a secure installation, the brackets mount easily on the inside or outside corner of a wall and works in conjunction with other B-Tech mounts for a simple mounting solution.

SPECIFICATIONS

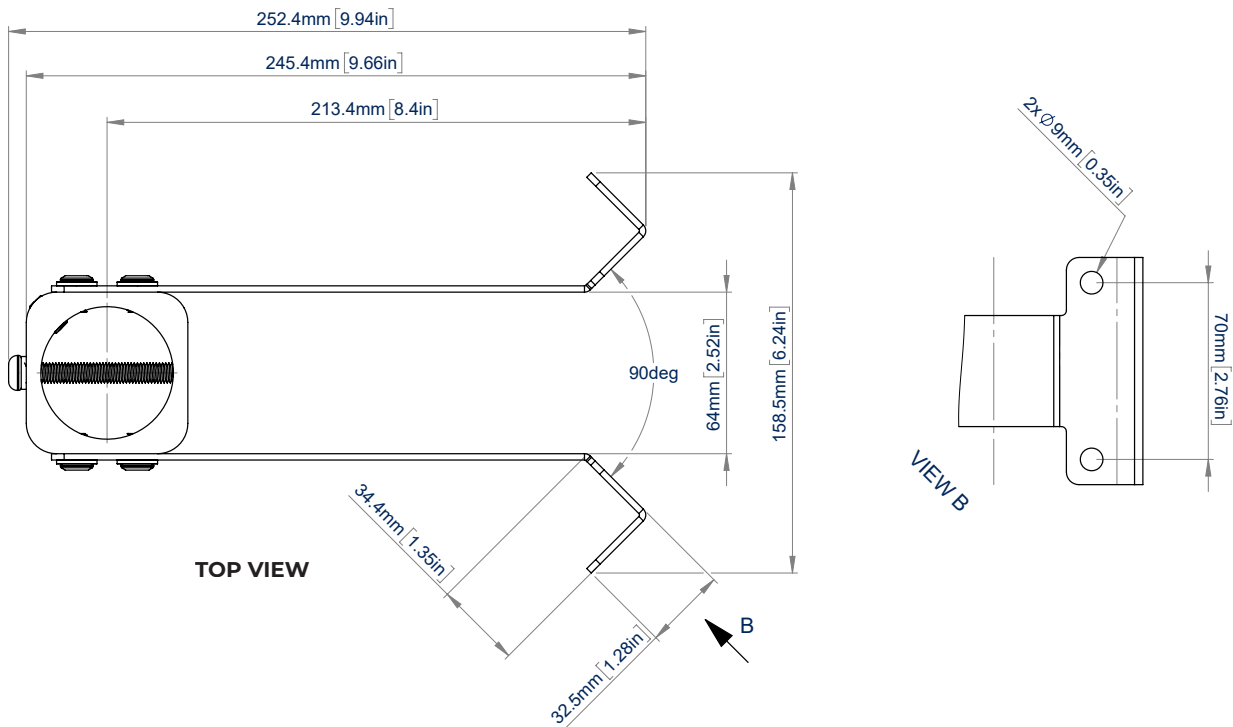

Max load (per bracket)	6.6lbs
Distance from wall	8.5" to centre of pole
Color	Black

FEATURES

- 1** The product can be used on both internal and external corner mounting
- 2** Designed for use with System 2 solutions
- 3** Security bolt included
- 4** Designed to be used with any length Ø2" pole
- All fixings included
