BT7867

DIGITAL SIGNAGE CRADLE

The BT7867 is a digital signage cradle that is used to mount media players up to 1kg onto B-Tech wall mounting solutions. The cradle is compatible with a number of products including the BT7522, BT8430, BT8431 and BT8432 wall mounts and is made to order based on the dimensions of your device. The open design of the BT7867 allows greater airflow which keeps the devices cool when in use and included security screws help prevent unauthorised removal of the device.

SPECIFICATION
