

# BT7882

## AV STORAGE CRADLE

The BT7882 is the ideal solution for securing AV equipment designed to 1U, 2U & 3U rack specification onto B-Tech mounts, or directly to a wall if desired. An open framework design provides sufficient airflow to keep mounted devices cool and at the same time secure; preventing unauthorised removal through the use of pin hex security screws. The BT7882 can also be mounted onto Ø50mm poles, using B-Tech's System 2 collars or directly onto System X mounting rails and columns.

### SPECIFICATIONS

Max storage load	<b>15kg</b>
Max screen weight	<b>20kg</b>
VESA® fixings	up to <b>400 x 200*</b>
Tray tilt for service access	<b>45°</b>
External Dimensions	H: <b>497</b> x W: <b>432</b> x D: <b>150mm</b>
Max equipment dimensions	H: <b>488</b> x W: <b>416</b> x D: <b>145mm</b>
