BT8332

UNIVERSAL CEILING MOUNTED MENU BOARD MOUNTING SYSTEM

The BT8332 is a modular ceiling mounting system for menu board installations of any size. The BT8332 can mount screens in landscape or portrait orientations with the option for tilt adjustment up to +20° for enhanced overhead visibility, perfect for fast food restaurants. As part of the System X range, the BT8332 can be used in thousands of different configurations and must be ordered according to your requirements using B-Tech's online configuration tool (see below, right).

SPECIFICATION

Recommended screen size	32"-75"
Max load	50kg (110.23 lbs)
Tilt range (tilt arms only)	+20°
VESA & non-VESA fixings	up to 47.24"
Pole lengths	19.68" up to 118.11" (can be cut or joined)

**Refers to maximum vertical fixing dimension for a typical configuration. Correctly sized interface arms and adaptors will be supplied as necessary to suit the mounting pattern you require.*
