CEILING MOUNTED
MENU BOARD MOUNTING SYSTEM

The BT8332 is a modular ceiling mounting system for menu board installations of any size. The BT8332 can mount screens in landscape or portrait orientations with the option for tilt adjustment up to +20° for enhanced overhead visibility, perfect for fast food restaurants. As part of the System X range, the BT8332 can be used in thousands of different configurations and must be ordered according to your requirements using B-Tech's online configuration tool (see below, right).

SPECIFICATIONS

Recommended screen size	**32"** - **75"**
Max load	**50kg** per screen
Tilt range (tilt arms only)	**+20°**
Universal fixings	up to **900mm***
Pole lengths	**0.5m** up to **3m** (can be cut or joined)
Colour	**Black**

FEATURES

1. Choice or fixed, tilting or pop-out interface arms to suit a range of installations
2. Supports landscape, portrait, and back-to-back mounting
3. Multiple rail lengths available (rails can also be joined to create larger installs)
4. Can also be mounted from the ceiling or in floor-to-ceiling configurations
- High-end aesthetic quality
- Suitable for landscape, portrait and back-to-back mounting
- Interface arms available for portrait mounting XXL screens with vertical fixings up to 800mm or 900mm
- All arms feature levelling screws to adjust the screen height
- Tilting arms offer up to +20° tilt adjustment for improved overhead visibility
- TÜV certified

CREATING YOUR BT8332 KIT

BT8332 configurations are made to your exact requirements and, as a result, utilise a varying combination of System X components in order to create the perfect solution. Below are technical drawings for the standard components used in every BT8332 configuration: BT7822 Ceiling Mount, BT8390-CFK Collar Fixing Kit, BT7850 Ø50mm Poles and BT8390 Mounting Rails *(available in the lengths shown)*. Please visit our System X online configuration tool at www.btechavmounts.com/systemx-configurator to specify your requirements. All dimensions will be automatically calculated and a complete mounting solution with all required parts will be created for you.
