BT8342

UNIVERSAL CEILING MOUNTED VIDEOWALL MOUNTING SYSTEM

The BT8342 is a modular ceiling mounting system for video wall installations of any size. The BT8342 can mount screens from the floor or ceiling in landscape or portrait orientations - perfect for digital signage that needs to stand out. As part of the System X range, the BT8342 can be used in thousands of different configurations and is ordered according to your requirements using B-Tech's online configuration tool (see below, right).

SPECIFICATION

Recommended screen size	32" - 70"
Max load	50kg (per screen)
VESA® & non-VESA fixings	up to 900mm*
Pole Length	0.5m up to 3m (can be cut or joined)
Colour (VESA arms)	Black
Colour (Horizontal Rail)	Silver
Colour (Poles & Ceiling Mount)	Black, White or Chrome

*Refers to maximum vertical fixing dimension for a typical configuration. Correctly sized interface arms and adaptors will be supplied as necessary to suit the mounting pattern you require.

FEATURES

- Configurable mounting solution available to order to your requirements from stock - see configurator info
- Tool-less micro-adjustments for seamless display alignment
- Suitable for landscape, portrait and back-to-back mounting
- Capable of mounting from the ceiling or in floor-to-ceiling configurations
- Safety screws help prevent unauthorised removal of screens
- Multiple rail and pole lengths available
- Heavy Duty poles will be automatically supplied with larger installs to cope with increased load (heavy duty option only available in black in 2m or 3m lengths)
- Multiple rail and pole lengths available
- Simple installation with all mounting hardware included
