

BT8507

SYSTEM X™ CART FOR 55" MICROSOFT® SURFACE HUB™

The **BT8507** is a mobile solution designed to mount Microsoft's 55" Surface Hub and other large interactive displays up to 65". Capable of supporting heavy duty loads, the cart has a welcome rigidity which means mounted touchscreens do not move or flex whilst in use. Levelling screws allow easy height adjustment of the screen once mounted and integrated cable management keeps finished installations neat and tidy. Non-marking 4" braked castors allow the cart to be re-located easily and safely without marking or scuffing floor surfaces.

SPECIFICATIONS

Recommended screen size	up to 65"
Recommended surface hub size	55"
Max load	154lbs
VESA® and non-VESA fixings	up to 1400 x 400
Dimensions	W : 59" D : 30.5" H : 66.6"
