TWIN SCREEN VC DISPLAY TROLLEY

The BT8511 is the ideal mobile video conferencing solution for twin screens up to 46". The trolley is supplied with a shelf for VC cameras which gives the user the flexibility to mount their camera either above or below the screens and integrated cable management keeps finished installations neat and tidy. Non-marking braked castors allow the trolley to be relocated easily and safely without marking floor surfaces and optional screw-in levelling feet are also included for freestanding applications if mobility is not required.
