

# BT8516

## UNIVERSAL TWIN-SCREEN VC CART FOR SCREENS UP TO 65"

The **BT8516** is a premium mounting solution designed to mount two screens side by side for video conferencing applications. The cart is supplied with an adjustable VC shelf that allows cameras to be fitted above or below the screen. Integrated cable management hides cables for a smart installation in any environment, and non-marking braked castors allow the cart to be relocated quickly and safely without marking floor surfaces. Screw-in levelling feet for freestanding applications are available separately.
