

# BT8568

## MOTORISED HEIGHT ADJUSTABLE FLAT SCREEN CART

The **BT8568** is a mobile mounting solution designed for large screens up to 86". Electronic height adjustment enables effortless raising and lowering of the screen via a wired control panel, with an adjustment range of up to 25.6". This trolley is ideal for mounting interactive touchscreens into education and corporate environments and is capable of supporting loads up to 220lbs. The mount has a modern design and features a simple hook-on installation for quick and easy screen fitting and incorporates an adapter plate for the fitting of AV accessory shelves.
