

BT9377

BOLT-DOWN RETRACTABLE BASE dVLED VIDEOWALL STAND

BT9377 Universal Bolt-Down dVLED Mounting System features a retractable base for easy service access to display screens. The universal design is compatible with all major dVLED brands and perfectly suits applications such as shop fronts and installations against windows. The retractable floor base enables seamless movement backwards of up to 15.74" for easy servicing and maintenance of hardware. To configure your dVLED solution, Contact B-Tech's dedicated technical support team at technical@btechavmounts.com
