AV Mounts

BT9920

XXL Display Wall Mount

This product is made from the following materials:

MADE WITH RECYCLED MATERIALS

Aluminium	51.6%
Steel	48.3%
Acrylonitrile Butadiene Styrene	0.1%

B-Tech AV Mounts is dedicated to making sustainable product choices that prioritise recyclability. We are committed to investing in a circular economy, where sustainability is central to every aspect of our operations. Embracing a sustainable approach is crucial in our efforts to combat global climate change.

Environmental footprint

Greenhouse gasses emitted into the environment during production of a product contribute directly to our planet's global warming. Using LCA software we are able to calculate the (potential) environmental footprint, measured in kilograms CO2-equivalent. This enables us to evaluate a product's footprint and support the design of sustainable products. By recycling our products the impact on the environment can be reduced as the recycled material replace the need to produce virgin materials.

BT9920							
	Aluminium	Steel	Acrylonitrile Butadiene Styrene				Total
Material weight (g)	11162.4	10458.5	27.7				**21649**
Kilograms CO_2 equivalent							
When not recycled	318.9	38.5	0.2				**357.61**
When recycled	188.2	23.5	0.2				**211.82**
						Total recycling reduction	**41%**

Emitted carbon dioxide

To illustrate the impact of one kilogram of carbon dioxide, we've converted it into the equivalent distance a car would travel in kilometers.

with recycling	without recycling
211.82 CO_2	357.62 CO_2
641.90 KM	**1083.70 KM**

*8 litres of petrol per 100 km²
