## FLAT SCREEN DISPLAY STAND WITH SHELF

Part of B-Tech's Cantabria range of premium AV furniture, the BTF812 has a modern, stylish aesthetic quality that is ideally suited to high-end residential or commercial applications. Manufactured in Europe, this flat screen display stand is produced to a very high standard, with a sleek design that features a tempered glass shelf to support home entertainment systems such as satellite boxes, games consoles or media players. Concealed castors, a rotating base and choice of screen height options make it easy to set the screen at the optimal position and integrated cable management helps to create a neat and tidy installation.
