Dear Lawton Customer,

As you may already be aware, Lawton Trading Ltd. entered Liquidation in June 2011. Further to this, B-Tech International Ltd. are pleased to announce that Lawton including Lawton Online and DSC is now part of the B-Tech International group of companies*.

B-Tech International Limited, established in 1972, are one of the leading manufacturers and distributors in the world of AV Accessories. The B-Tech range includes mounts, supports, furniture, AV cleaning products, HDMI and AV cables and controls / switchers.

We are currently redeveloping the Lawton Online and DSC websites to feature the excellent range of B-Tech AV mounts, supports, furniture, cables, Bib care and cleaning products, plus an improved range of styli. Whilst the sites are being updated, please visit the B-Tech website at www.btechavmounts.com.

We have also updated the B-Tech catalogue to feature the full range of B-Tech products. Our range has recently been updated to include the range of Lawton branded furniture (see right and pages 18-19 in the catalogue), plus the Lawton branded HDMI cables (see B-Tech website).

B-Tech are currently working with ex-Lawton suppliers to be able to offer you an increased range of products in addition to the 400+ product lines already available from stock at B-Tech ready for next day delivery.

We have already opened many accounts for ex-Lawton customers but if you have not done so already and would like to open a direct account with B-Tech, please email sales@btechavmounts.co.uk for an account application form and terms of business, alternatively please contact us at the address below.

Yours sincerely,

Matthew Bennett
